Disclaimers

All data and information is provided "as is" for informational purposes only, and is not intended for trading purposes or financial, investment, tax, legal, accounting or other advice. Please consult your broker or financial representative to verify pricing before executing any trade. Google is not an investment adviser, financial adviser or a securities broker. None of the data and information constitutes investment advice nor an offering, recommendation or solicitation by Google to buy, sell or hold any security or financial product, and Google makes no representation (and has no opinion) regarding the advisability or suitability of any investment.

None of the data and information constitutes investment advice (whether general or customized). The financial products or operations referred to in such data and information may not be suitable for your investment profile and investment objectives or expectations. It is your responsibility to consider whether any financial product or operation is suitable for you based on your interests, investment objectives, investment horizon and risk appetite. Google shall not be liable for any damages arising from any operations or investments in financial products referred to within. Google does not recommend using the data and information provided as the only basis for making any investment decision.

Data is provided by financial exchanges and other content providers and may be delayed as specified by financial exchanges or other data providers. Google does not verify any data and disclaims any obligation to do so.

Google, its data or content providers, the financial exchanges and each of their affiliates and business partners (A) expressly disclaim the accuracy, adequacy, or completeness of any data and (B) shall not be liable for any errors, omissions or other defects in, delays or interruptions in such data, or for any actions taken in reliance thereon. Neither Google nor any of our information providers will be liable for any damages relating to your use of the information provided herein. As used here, "business partners" does not refer to an agency, partnership, or joint venture relationship between Google and any such parties.

You agree not to copy, modify, reformat, download, store, reproduce, reprocess, transmit or redistribute any data or information found herein or use any such data or information in a commercial enterprise without obtaining prior written consent.

Either Google or its third party data or content providers have exclusive proprietary rights in the data and information provided.

Please find all listed exchanges and indices covered by Google along with their respective time delays from the table above.

offered therein.

Currency Conversion

Google cannot guarantee the accuracy of the exchange rates displayed. You should confirm current rates before making any transactions that could be affected by changes in the exchange rates.

NYSE Securities

NYSE, NYSE Arca LLC, and NYSE MKT LLC reserve all rights to the securities information that Google LLC makes available to you. You understand and acknowledge that such securities information does not reflect trading activity on markets other than NYSE, NYSE Arca, or NYSE MKT, as applicable, and are intended to provide you with a reference point only, rather than as a basis for making trading decisions. None of Google LLC, NYSE, NYSE Arca LLC, and NYSE MKT LLC guarantee such information nor shall any of them be liable for any loss due either to their negligence or to any cause beyond their reasonable control. Any redistribution of such information is strictly prohibited.
